President's Message

The Hawaii Chapter of ASID (American Society of Interior Designers), would like you to consider a sponsorship for the 2022 year. As a sponsor, you will have the opportunity to engage with our chapter members through events and sponsored activities along with being involved in your local design community.

Our members are passionate about the power of design and include residential and commercial designers, industry representatives, educators, and students.

Please consider supporting the Chapter through sponsorships. You are what keeps us going and allow us to have a significant program for our members.
